ASSOCIATION

# The end

plungeatock

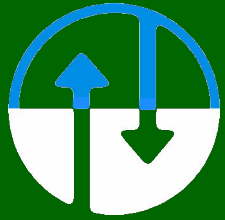

# The financier's perspective

Saving the planet ...

*Is there any money in it?*

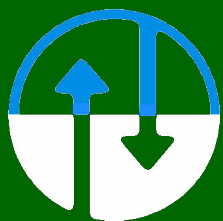

Not inherently, so ...

It has to be political

# The need for leadership

- Changing the paradigm
- One dimensional politics –  
the silver bullet
- Blind reliance on 'the market'
- Taking a strategic view

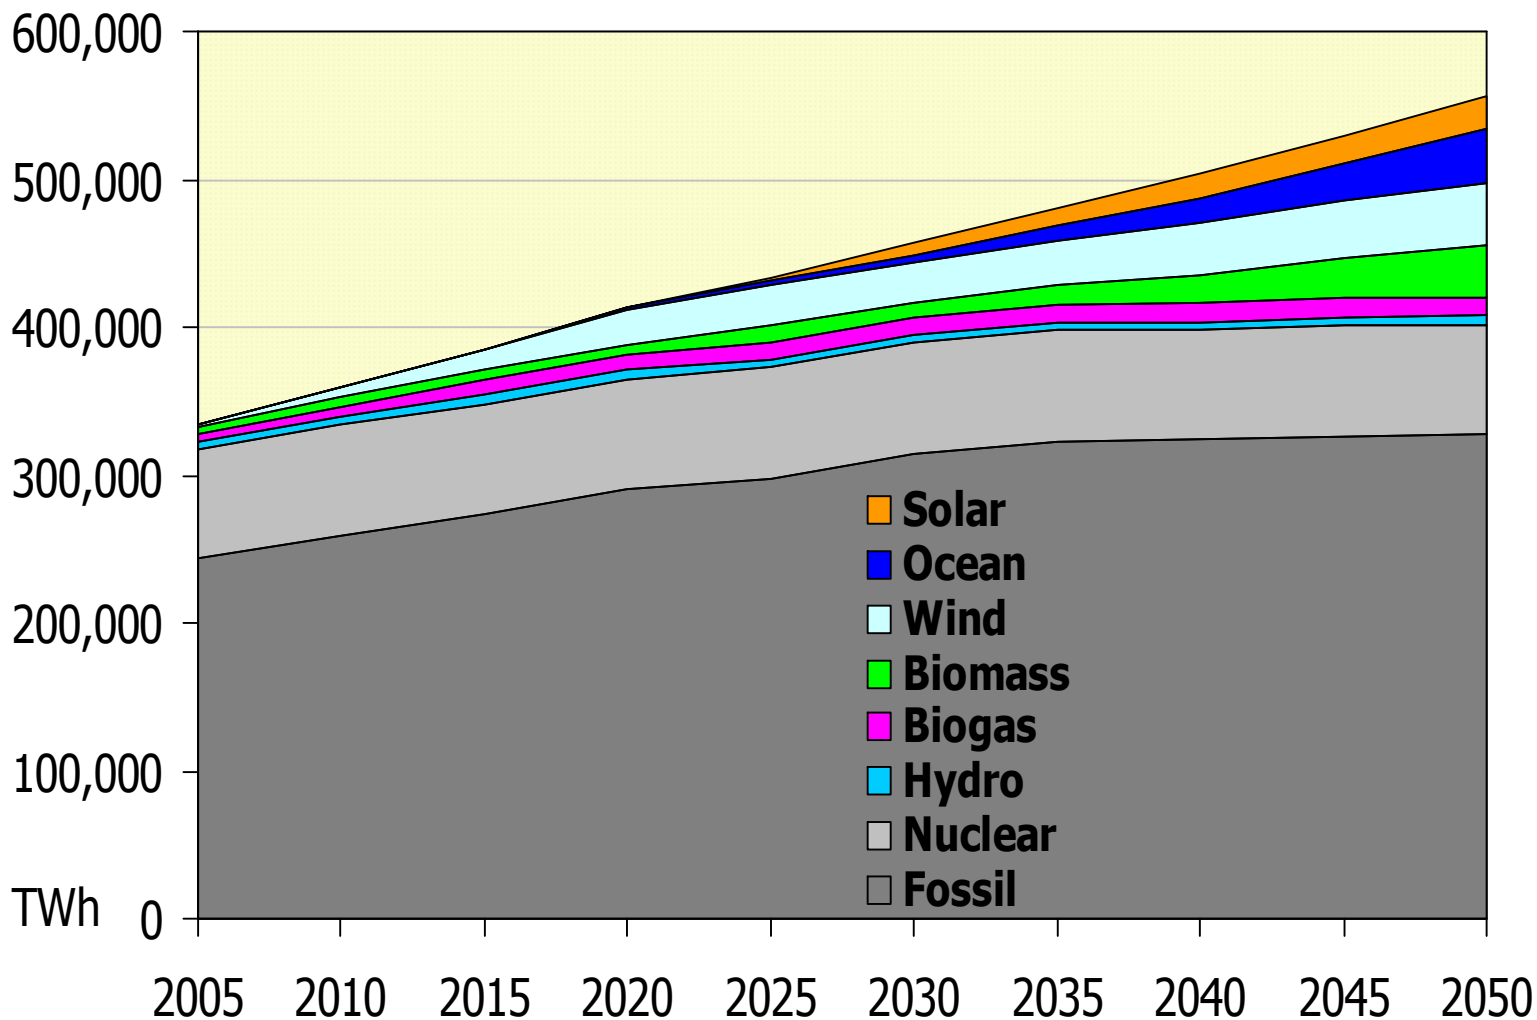

# Without leadership

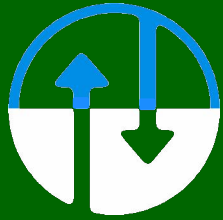

All-Energy Conference

RPA\events\ThirdParty\Wolfe050526AE

Finance for renewables

# Finance for renewables

## A personal view
